

CURRICULUM VITA

CHARLES TAYLOR KERCHNER

December 2017

- Ph.D. 1976, Northwestern University (Education). Education Professions Development Act Fellow, 1973-74. Dissertation: Faculty Union Impacts on Community Colleges and Their Presidents.
- M.B.A. 1964, University of Illinois, Urbana (Finance). Thesis: a study of the impacts of automation on white-collar workers.
- B.S. 1962, University of Illinois, Urbana (Communications and Political Science), C. E. Merriam award in political science, outstanding student award in journalism, editor-in-chief *Daily Illini*.

PROFESSIONAL EXPERIENCE

- 1976-- Claremont Graduate University (Name changed from The Claremont Graduate School in 1997).
- 2014-2017 'On California' column at EdWeek.org. 281 columns written or edited.
- 2013 Appointed Professor Emeritus
- 2009 Principal Investigator, Beyond "Permanent Crisis:" An Alternative to Political Gridlock in Los Angeles Public Education.
- 2007 Named: Research Professor, reappointed 2011.
- 2003 Principal Investigator, Learning in L.A. Project: An Institutional Analysis of Efforts to Reform the Los Angeles Unified School District.
- 2001 Principal Investigator, Boyle Heights Learning Collaborative evaluation project.
- 2001 Visiting Scholar, University of Melbourne.
- 1999 Directed evaluation of Los Angeles Annenberg Metropolitan Project board and staff operations.
- 1998 Co-director U.S. Office of Educational Research and Improvement union capacity building project.
- 1994 Named to occupy Hollis P. Allen chair.
- 1994 Inaugurated Claremont Educational Policy Seminar, an annual topical investigation of politics and practice.
- 1993 Visiting Fellow, University of London, Institute of Education.
- 1991 Member Governmental Relations Committee American Educational Research Association.
- 1990 Visiting Scholar, National Center for School Leadership, University of Illinois.
- 1989 Director, Claremont Project V•I•S•I•O•N, a two-year study of labor relations and school reform in 20 cities.
- 1988 Appointed to rank of Professor.
- 1987 Director, preliminary and professional education administration programs.
- 1987 Executive Committee, Claremont Educational Partnership, a school district and university collaborative.
- 1986 Visiting Associate Professor, University of California, Santa Barbara.
- 1984-87 Editor, *Politics of Education Bulletin*.
- 1981 Appointed Associate Professor.
- 1979-81 Director, Labor Relations Research Project.
Supported by the National Institute of Education, a study of some 800 school districts was the first large-scale assessment of the impacts of collective bargaining on the management and governance of school districts. Technical report finished December 1981.

- 1978-81 Associate Director, Claremont Higher Education Management Institute.
- Jan. 1976 Appointed instructor, appointed Assistant Professor, following dissertation defense.
- 1973-76 Northwestern University
 1974-76 Instructor in Education; Director, Regional Education Project sponsored by the Illinois Department of Vocational and Technical Education.
 1973-74 Full-time fellow. Under sponsorship of Education Professions Act.
- 1973 City Colleges of Chicago
 Director of Funded Programs:
 Responsibilities included the management and acquisition of approximately \$12 million in federal and state grants.
- 1971-73 Illinois Board of Higher Education, Chicago, Illinois.
 The Board is the state's coordinating agency for higher education with approval powers over new academic programs and planning plus recommendary responsibilities over the state's higher education budget.
 Assistant Director for Academic Affairs. As community college officer, was responsible for recommending new academic programs to the Board, developing the \$56 million community college budget and liaison with the 38 college districts and the Illinois Junior College Board.
 Accomplishments included the adoption of program review standards and developing new programs (and financing) for disadvantaged students and community services.
- 1964-71 St. Petersburg Times.
 One of America's most important newspapers, the *Times* (now the *Tampa Bay Times*) was one of a handful of papers to support the 1964 Civil Rights Act. It spawned *Congressional Quarterly* and The Poynter Institute, which functions as a holding company for the newspaper and one of the country's best schools for journalists.
 National News Editor. In charge of editing, front page, layout, and news desk direction. Also, legislative editor.
 Assistant to the General Manager. Administered the company's service departments and its computer center which was, at the time, introducing the company's first large-scale use of data processing for accounting and type-setting. Staff duties included liaison with contractors, marketing, planning, and development of new publication possibilities.
 Reporter.

SPONSORED RESEARCH:

1. 2013-Stuart Foundation for public affairs journalism, \$21,000, renewed in 2014, 2016.
2. 2009-The John Randolph and Dora Haynes Foundation for a study of new forms of learning that change the political dynamic of education in Southern California, \$124,500.
3. 2004-The National Education Association for a literature review of the relationship between teacher unionism and education quality, \$10,000.
4. 2003-The Annenberg Foundation for a study of education reform in Los Angeles, \$500,000.

5. 2001- Los Angeles County Alliance For Student Achievement (The Alliance) as fiscal agent for the Annenberg Foundation to evaluate a five-year school-community project, the Boyle Heights Learning Collaborative. \$900,000. (Fiscal agent changed to Families in Schools, 2002.)
6. 2001-Broad Foundation. Documentation and evaluation of union reform project grant to Teacher Union Reform Network, \$25,000.
7. 2001-Los Angeles Metropolitan Annenberg, follow on grant to disseminate results of earlier analysis, \$25,000.
8. 1999-Los Angeles Metropolitan Annenberg Project, analysis of board and staff activities during project to reform education in L.A. County, \$150,000.
9. 1999-U.S. Office of Education Research and Improvement grant to study and provide technical assistance to emerging forms of teacher unionism. Julia Koppich, co-principal investigator, \$300,000.
10. 1998-Irvine Foundation technology grant to investigate the potential of distance learning at CGU, \$1,500.
11. 1998-National Commission for Teaching and America's Future to investigate promising labor relations practices. Julia Koppich, principal investigator. \$40,000.
12. 1997-Community Development Project, Pomona Unified School District. \$41,000.
13. 1997-Evaluation Project, UCLA AMP program, Bruce Matsui PI, \$176,000.
14. 1993-National Center for Educational Leadership (Harvard University). \$12,000 to develop software for analysis of organizational decisions.
15. 1989 - Carnegie Corporation of New York (\$100,000), United States Department of Labor (\$100,000). For a study of emerging forms of labor relations in public schools.
16. 1988-91 - Stuart Foundations. Research on implementation of new forms of labor agreements. Policy Analysis for California Education, Berkeley, awarded--September 1987. Reviewed 1988-1991. Grants totaled \$500,000.
17. 1987-Work In America, Inc. Commissioned case study.
18. 1985-California Commission on the Teaching Professions. Commissioned paper on labor relations in education.
19. The Eli Lilly Endowment. \$3,900 to mount an exploratory study of the effects of unionization on school decision making other than that involved in formal negotiations. Technical report submitted January 1985.
20. Center for Educational Policy and Management, University of Oregon. Continued research into the diffusion of labor relations policy and the relationship between labor relations and the nature of teaching work. \$12,000 awarded in 1983. \$5,000 awarded in 1984 for study of teaching work life.
21. Wilbur Foundation. \$4,000 to investigate demographic political and labor market influences on public education, particularly in California. 1983.
22. National Institute of Education. Commissioned to write a monograph for the Institute on Teaching and Educational Policy. Published in *Handbook of Teaching and Policy*, Longmans, 1983.

23. National Institute of Education. \$180,000 over two and one-half years to study the impact of collective bargaining on school governance. Research began in January 1979; technical report submitted January 1981.
